SAFECOM

ASSURING A SAFER AMERICA THROUGH EFFECTIVE PUBLIC SAFETY COMMUNICATIONS

Help Improve Emergency Communications:

Take the SAFECOM Nationwide Survey!

The SAFECOM Nationwide Survey (SNS) is an opportunity for public safety's voice to be heard! SAFECOM and the U.S. Department of Homeland Security Office of Emergency Communications released the survey, which will provide valuable insights on the current state of the nation's emergency communications. The results of the SNS will drive the decisions to improve our nation's emergency communications capabilities. Your input will be used to:

- Identity gaps in funding and capability improvements,
- Raise national awareness on emergency communications,
- Build industry knowledge by capturing reliable data,
- Influence public policy by informing decision-makers,
- Identify essential capabilities and capability gaps,
- Develop additional training and other resources, and
- Provide a validated national perspective on emergency communication capacity.

Who should take the survey?

- 9-1-1 Call Centers/Public Safety Answering Points
- Emergency Management Agencies
- Public Safety Non-Government Organizations
- Law Enforcement
- Fire and Rescue
- Emergency Medical Services

Take the survey now at https://www.surveymonkey.com/r/2018SNS
We want to hear from you!
