FirstNet Updates

Presented that AT and T are progressing, nothing to report at this time

LMR – ISICS Updates

Andy Buffington reported 67% complete statewide with 50 active sites as of 2 weeks ago. RIC 5 in Marrion Count is using an FAA site that procured for additional coverage. Next 4-5 months should be 100% (or very close)

Interoperability Updates

Reported that policies are being reviewed at the UGC level. Anyone interested in helping please let Brian know.

RIC Outreach Efforts

UGC is working to have a 99 county tour. Discussion was had around the need for continued involvement and support as this is a multiyear process (3-5year) endeavor.

RIC Action Target

Discussion was had (see attached chart / draft) about creating a document show what each region is currently working on.
