Fall 2020 In-Service

EVERYONE is Leading – Motivating Today's Leaders for Tomorrow's Challenges

September 21st 0800 to 1700
September 22nd 0800 to 1700
September 23rd 1300 to 2200

EVERYONE is Leading is an enlightening seminar that provides proven techniques and methods to become a successful leader. Showalter & Company speakers have over thirty years of public safety experience in various leadership levels and draw on that extensive experience to discuss the habits of both successful and unsuccessful leaders. The foundation of this class is that leadership is not dependent on a specific rank, position, or title. *EVERYONE is Leading* will empower participants to discover motivation, maintain a positive attitude and develop willingness to accept challenges.

Due to social distancing regulations in response to COVID-19, Westcom is offering this training virtually to participants outside of our agency.

Please contact Westcom Emergency Communications Training Coordinator Jessica Frunzar to register, or if you have questions:

Jessica Frunzar
Office: 515-273-0611
Email: Jessica.Frunzar@wdm.iowa.gov

**** The cost of this training is FREE due to Westcom receiving a state grant**

Through dedication to excellence, Westcom Emergency Communications strives to provide the highest quality of services to our partners and communities as the first "first responders."
